VII. Consideration of the question of improvements proposed for the Kannegowdankoppal.

Resolved that the Board are of opinion that the present condition of this village is very insanitary and nothing short of the complete removal of the village *en-bloc* will be a satisfactory remedy. They recommend that the villagers be provided with building sites in the open ground to the south of this village and west of Railway Line and that the cleared area of the existing village which is a menace to Lakshmipurum and Chamarajapurum Extensions, be reserved for eventual requirements of the University. If not found practicable to effect the removal of the whole village immediately, the Board would recommend the
